

TC26

Ice Maker

ECO-FRIENDLY
REFRIGERANT R290

Product Features

- Cubed ice approx. 31x35x31mm (18 g)
- Production Capacity: 26 kg/24 h
- Storage Capacity: 8 kg
- Low energy air-cooled system
- Spray system produces individual clear ice cubes
- Self-contained ice machine with storage
- Ag+ easy to clean surfaces in the storage bin
- High quality SS304 stainless steel
- 4 Legs and 4 adjustable feet included
- Scoop for ice cubes included
- Fully automatic

Easy to clean
condenser filter

Ice cube dimensions

Clear ice maker machine in stainless steel

The TC range of ice makers uses a spray system to produce crystal clear, slow melting ice cubes. This makes the unit ideal for use in cafes, restaurants, pubs, bars, fast-food venues, and other hospitality establishments that require ice for drinks, cocktails, or keeping food such as fresh fish cool.

The exterior of the unit is made from 304 stainless steel; the door at the front of the unit allows quick access to an insulated storage bin, which features Ag+ antibacterial technology to help prevent the formation of bacteria and odors. To ensure that the ice cube maker runs efficiently, the unit has an air filter that is easy to remove and clean.

The TC ice maker uses a low energy air-cooled system, which means it takes in the surrounding air and uses this to cool down the refrigeration system. The capacity of the ice maker is therefore affected by the ambient temperature surrounding it as well as the temperature of the water it takes in.

Design and Material		Measures and Content		Power and Consumption	
Feet / Legs	4 adjustable feet and legs	Capacity Ice Production	kg/24h 26	Energy Consumption	kWh/24h 5.9
Exterior Finish	SS304	Capacity In Ice Container	kg 8	Annual Energy Cons.	kWh/year 2154
		Size of Ice Cubes	mm 31 x 35 x 31 (18g)	Power	1
		Water Consumption	l/24h 43	Max Ambient	40°C at 40% RH
		Climate Class	5	Input Power	W 350
		Gross / Net Weight	kg 39 / 33.4	Voltage / Frequency	V/Hz 220-240/50
Cooling and Functions		Dimensions			
Type of Controller	Electronic	External Dimension (WxDxH)	mm 390 x 515 x 640		
Type of Cooling	Static	Packed Dimension (WxDxH)	mm 450 x 575 x 710
